Item 4. Description of Securities.

Deferred Compensation Obligations - Nonemployee Directors Deferred Compensation Plan

The Registrant's Nonemployee Director Deferred Compensation Plan (the "Director Plan") is an unfunded deferred compensation arrangement which provides each nonemployee director with an opportunity to elect to defer a portion of his or her annual retainer and meeting fees. Under the terms of the Director Plan, each nonemployee director is required to defer one-half of his or her annual retainer, but may make an election to defer an additional portion of such annual retainer and/or meeting fees. Accordingly, the aggregate amount of a nonemployee director's compensation to be deferred will be determined by reference to the required deferral and any additional elective deferral made by such director.

Amounts payable under the Director Plan, referred to as the "Director Plan Obligations" of the Company, are unsecured general obligations of the Company to pay deferred compensation in the future in accordance with the terms of the Director Plan. Any claim by a participant against the Company for a payment from the Director Plan will be treated as a claim of a general and unsecured creditor of the Company. The Company has the sole responsibility for the operation, administration and recordkeeping for the Director Plan.

The mandatory deferrals required by the Director Plan are adjusted to track the investment of the Registrant's common stock, whether positive or negative. Elective deferrals, which are irrevocable, may be either (i) adjusted to track the investment performance of the Registrant's common stock or (ii) credited with interest at the prime rate. Participant's who elect to have their Director Plan Obligations adjusted to track the investment performance of the Registrant's common stock will have such obligations satisfied in the form of the Registrant's common stock. Elective deferrals credited with interest at the prime rate will be satisfied in cash. In general, each Director Plan Obligation will be paid in a lump sum or in five substantially equal annual installments, as elected by a participant.

The Director Plan Obligations are not subject to redemption, in whole or in part, prior to payment on the dates specified in the Director Plan. Nonemployee directors may not assign, alienate, commute, or otherwise encumber the Director Plan Obligations under the Director Plan for any purpose whatsoever and any attempt to do so will be disregarded as null and void. However, the Company reserves the right to amend or terminate the Director Plan at any time, but such amendment or termination shall not deprive a nonemployee director of any right accrued prior to the date of the amendment or termination (whichever is applicable) except in certain limited circumstances specified in the Director Plan.

Common Stock

A portion of the Director Plan Obligations will be satisfied in the form of the Registrant's common stock. The Registrant's common stock is registered under Section 12 of the Exchange Act.

Deferred Compensation Obligations - 2005 Supplemental Deferred Savings Plan

The Registrant's 2005 Supplemental Deferred Savings Plan (the "SDSP") is an unfunded, non-tax qualified deferred compensation arrangement which provides eligible management and highly compensated employees of the Company, each of whom we refer to as an "Eligible Employee," with an opportunity to make an irrevocable election to defer a portion of his or her cash base compensation and/or cash bonus compensation for payment at a later time. The amount of a participant's compensation to be deferred for a plan year will be determined under the SDSP based on the Eligible Employee's election. The Company will also credit a matching contribution in an amount determined under the SDSP for each participant who defers a portion of his or her base compensation for a plan year and is an Eligible Employee on the last day of the plan year. The Company will also credit for each participant who is an Eligible Employee on the last day of the plan year a supplemental contribution of an additional three percent of such participant's cash base compensation and cash bonus compensation.

The matching contributions and supplemental contributions are subject to a vesting schedule set forth in the SDSP, but become fully vested upon death, Disability or Retirement, as such terms are defined in the SDSP. Each participant's deferrals will be credited with interest at the prime rate. Participants covered under a supplemental executive retirement plan (currently executive officers of the Company) are not eligible to receive Company contributions.

Amounts payable under the SDSP, which we refer to as the "SDSP Obligations," are unsecured general obligations of the Company to pay deferred compensation in the future in accordance with the terms of the SDSP. Any claim by a participant against the Company for a payment from the SDSP will be treated as a claim of a general and unsecured creditor of the Company. The Company has the sole responsibility for the operation, administration and recordkeeping for the SDSP.

In general, each SDSP Obligation will be paid in a lump sum or in ten substantially equal annual installments, as elected by a participant. Notwithstanding such elections by the participant, payment of the SDSP Obligations to a participant will be accelerated upon certain terminations of service, death or Disability as provided in the SDSP. The Company may in its discretion allow an early payment for a financial hardship (as defined in the SDSP) of the participant.

The SDSP Obligations are not subject to redemption, in whole or in part, prior to payment on the dates specified in the SDSP. Participants may not assign, alienate, commute, or otherwise encumber the SDSP Obligations under the SDSP for any purpose whatsoever and any attempt to do so will be disregarded as null and void. However, the Company reserves the right to amend or terminate the SDSP at any time, but such amendment or termination shall not deprive a participant of any right accrued prior to the date of the amendment or termination (whichever is applicable) except in certain limited circumstances specified in the SDSP.

Item 5. Interest of Named Experts and Counsel.

Inapplicable.

Item 6. Indemnification of Directors and Officers.

Acuity's By-laws and Section 145 of the Delaware General Corporation Law, which allows, and in some cases requires, the indemnification of directors and officers under certain circumstances, grant Acuity's directors and officers a right to indemnification to the fullest extent permitted by law for all expenses relating to civil, criminal, administrative or investigative procedures to which they are a party (i) by reason of the fact that they are or were directors or officers of Acuity or (ii) by reason of the fact that, while they are or were directors or officers of Acuity, they are or were serving at the request of Acuity as a director, officer or employee of another enterprise. Acuity's By-laws further provide that an advancement for any such expenses shall only be made upon delivery to Acuity by the indemnitee of an undertaking to repay all amounts so advanced if it is ultimately determined that such indemnitee is not entitled to be indemnified by Acuity.

Acuity has also entered into indemnification agreements with certain of its directors and officers. These agreements require Acuity to indemnify these directors and officers with respect to their activities as directors or officers of Acuity or when serving at Acuity's request as a director, officer or trustee of another corporation, trust or other enterprise against expenses (including attorneys' fees, judgments, fines and amounts paid in settlement) actually and reasonably incurred by them in any threatened, pending or completed suit or proceeding (civil, criminal, administrative or investigative) to which they are, or are threatened to be made, parties as a result of their service to Acuity. Acuity has agreed to indemnify each indemnitee for any one or a combination of the following, whichever is most advantageous to the indemnitee, as determined by the indemnitee: (i) the benefits provided by Acuity's certificate of incorporation and By-laws in effect on the date of the indemnification agreement; (ii) the benefits

provided by Acuity's certificate of incorporation and By-laws at the time expenses are incurred by the indemnitee; (iii) the benefits allowable under Delaware law in effect on the date of the indemnification agreement; (iv) the benefits allowable under the law of the jurisdiction under which Acuity exists at the time expenses are incurred by the indemnitee; (v) the benefits available under liability insurance obtained by Acuity; and (vi) such other benefits as may be otherwise available to indemnitee under Acuity's existing practices. Under the indemnification agreements, each indemnitee will continue to be indemnified even after ceasing to occupy a position as an officer, director, employee or agent of Acuity with respect to suits or proceedings arising out of acts or omissions during his service to Acuity. Each indemnitee has agreed to notify Acuity promptly of any proceeding brought or threatened and not to make any admission or settlement without Acuity's consent, unless the indemnitee determines to undertake his own defense and waives the benefits of the indemnification agreement.

Item 7. Exemption from Registration Claimed.

Inapplicable.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act) of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director,

officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Acuity Brands, Inc. Registration Statement on Form S-8

Ladies and Gentlemen:

I have acted as counsel for Acuity Brands, Inc., a Delaware corporation (the "Company"), in connection with the preparation of a Registration Statement on Form S-8 (the "Registration Statement") to be filed with the Securities and Exchange Commission covering the proposed offer and sale of (i) \$4,000,000 of obligations of the Company (the "Director Plan Obligations") to pay deferred compensation pursuant to the terms of the Acuity Brands, Inc. Nonemployee Director Deferred Compensation Plan (the "Director Plan"), (ii) up to an aggregate of 300,000 shares of the Company's common stock, \$0.01 par value (the "Common Stock"), pursuant to the Director Plan, and (iii) \$9,000,000 of obligations of the Company (the "SDSP Obligations") to pay deferred compensation pursuant to the terms of the Acuity Brands, Inc. 2005 Supplemental Deferred Savings Plan (the "SDSP").

As such counsel, I have reviewed the Director Plan and SDSP. I have also examined and relied upon such records, documents, certificates and other instruments as in my judgment are necessary or appropriate to form the basis for the opinions hereinafter set forth. In all such examinations, I have assumed the genuineness of signatures on original documents and the conformity to such original documents of all copies submitted to me as certified, conformed or photographic copies, and as to certificates of public officials, I have assumed the same to have been properly given and to be accurate.

The opinions expressed herein are limited in all respects to the General Corporation Law of the State of Delaware, and no opinion is expressed with respect to the laws of any other jurisdiction or any effect which such laws may have on the opinions expressed herein. This opinion is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein.

Based upon the foregoing, it is my opinion that (i) the Director Plan, and the issuance of the Director Plan Obligations pursuant to the Director Plan, have been authorized; (ii) upon the issuance of the Director Plan Obligations in accordance with the terms and conditions of the Director Plan, the Director Plan Obligations will be valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject, as to enforceability, to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally, general equitable principles and the discretion of courts in granting equitable remedies; (iii) the Director Plan, and the issuance of the shares of Common Stock pursuant to the Director Plan, have been authorized; (iv) upon the issuance of the shares of Common Stock in accordance with the terms and conditions of the Director Plan, the shares of Common Stock issued thereunder will be validly issued, fully paid and nonassessable; (v) the SDSP, and the issuance of the SDSP Obligations, have been authorized; and (vi) upon the issuance of the SDSP Obligations in accordance with the terms and conditions of the SDSP, the SDSP Obligations will be valid and binding obligations of the Company, enforceable against the

Company in accordance with their terms, subject, as to enforceability, to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally, general equitable principles and the discretion of courts in granting equitable remedies.

I hereby consent to the filing of this opinion as Exhibit 5.1 to the Registration Statement.

Sincerely,

/s/ Kenyon W. Murphy, Esq.
